

Ruberoid for DWELLINGS

Tin, iron or shingles will not last as long as Ruberoid roofing and are far more expensive. Ruberoid roofing obviates the danger of rust, rot and corrosion and costs little or nothing to keep in repair.

It is also absolutely waterproof and fire resisting.

No skill required to lay it. We furnish the nails and instructions, and any handy man can do the job.

Gives a handsome and finished appearance to a residence.

Pure blood makes the skin
clear, smooth, healthy.

Impure blood blotches the skin with
pimples, sores, boils, eczema, eruptions.
Mr. G. W. Burtner, Keesletown, Va., tells
of the bad condition he was in, and how
he was cured by

Ayer's Sarsaparilla

"Shortly after leaving college, I was
troubled with a skin disease which showed
itself first at the ankles. Physicians pro-
nounced it eczema, and treated me for that

complaint. The eruption crept slowly up
my limbs, and on the body, until it envel-
oped the whole frame. It gave me infinite
trouble, with constant itching, casting off of
dry scales, and a watery liquid which would
exude from under the scales. I treated it
for over three years unsuccessfully, and was
unable to check it until I began using Ayer's
Sarsaparilla. I used three bottles of this
medicine, and was completely cured—my
skin becoming as smooth and clear as
before."

There are many imitation
Sarsaparillas.
Be sure you get "AYER'S."

THE SALE DENIED.

The statement purporting to come
from the treasurer of the Chinese Aloha
Club that that club had sold Sun-
day's game to the Chinese Athletic
Club, for a ball and to enable the lat-
ter club to win the tournament, the
former having no show to win it, is
vigorously denied by the manager of
the Chinese Aloha Club.

KAHULUI, August 13.—The most

noteworthy tennis event in the history

of Maui was that held on Saturday last

on the tennis courts of the Puunene

Athletic Association at Puunene. The

day was all that could be asked for,

clear and bright with a mild breeze

stirring, and the courts were absolute

perfection. The courts, two within a

large enclosure, one of grass, and are

situated just in front of the mill and

of the club house, and are without

doubt the best grass courts on Maui.

They are smooth and hard as a billiard

table and the balls bounded true and

straight upon them. Upon the Ma-

kawao side of the courts a large grand

stand over 50 feet long had been erect-

ed with raised seats therein, and on

the Waiuku side was a very neat little

judges stand. Underneath the grand

stand a very comfortable ladies dress-

ing room had been fitted up on one side

and on the other was the cold drinks

booth, where cold drinks of the tem-

perate sort were served free all day

long. The grand stand was most

elaborately decorated with bunting and

flags and presented a most gala appear-

ance. Mr. Filler had kindly donated

all his signal flags from Kahului, and

strung along the front of the stand

they added decidedly to the effect. The

whole stand was simply smothered in

bunting, and when filled to its full ca-

pacities with standing room at a pre-

mium it presented a most animated and

holiday appearance. Free trains were

run from all points on the railroad and

conveyed the guests to and from the

affair, and all the coaches arriving

were filled to overflowing, everybody

from all parts of Central Maui with

their children being there.

About noon the announcement was

made that lunch was ready and in in-

stallments the guests and players re-

paired to the large club house where

under the direction of George May-

field a most bountiful repast had been

prepared. Tables filled not only the

large dining room, but the large social

hall and the front verandah as well,

and a host of waiters were in attend-

ance to see that every one got all that

he or she could desire.

Getting up a lunch for such a crowd

was an immense task in itself and the

result reflected great credit upon Mr.

Mayfield and those in charge of the

same, for besides being elaborate and

bountiful the food was most tempting,

and the crowd did ample justice to it.

The play went right on throughout all

the day no stop being made for lunch,

and in this way the program was car-

ried out to completion and the final set

played before dark. Nearly everyone

of the sets were interesting and many

of them were very close and exciting,

and some excellent tennis was put up,

holding the interest of the large crowd

throughout the entire day. A great

improvement was noticed in the play-

ing of the participants over what was

done in the last years tournament at

Sunnyside, and especially was this no-

ticeable amongst the ladies, a number

of them putting up hard, fast games.

The officials of the day were as follows:

Referee, W. O. Aiken; umpires, T. M.

Church and W. McGerrow; linesmen,

Ben Williams, F. Vasconcellos, W. D.

Lowell and S. E. Taylor.

Owing to the rains being a little late

play was not called until 9:45 a. m. but

from that time on both courts were oc-

cupied all of the time. The play was

best two out of three sets, advantage

games and sets, and the results of the

play are shown in the table.

Miss Ethel Taylor and T. Nickelson

thus won first place and the handsome

Puunene Tennis Cups, and Mrs. D. B.

Murdoch and F. Beckert took second

place and with it a fine tennis racket

each.

The steadiest and most consistent

game of the day was that put up by

Mrs. Murdoch and F. Beckert. They

played the first and last games of the

day with three very hard games in be-

tween, and two of which required three

long sets each to settle. Had they not

been absolutely tired out at the finals

a closer score would undoubtedly have

been the result. Miss Taylor and Mr.

Nickelson however played a strong

steady game, and won the tournament

on its merits, and deserved all that they

got.

The final game was finished just be-

fore dark when trains were in waiting

to convey the guests to their homes.

Tennis was not however the only

event of the day for during most of

the day the steady report of firearms

could be heard almost as regular as

clock work, coming from a field on

the Makawao side of the tennis courts

where the shooting enthusiasts were

shooting at clay pigeons for prizes.

Shooting at single pigeons, W. Fire-

pile of Kihel, took first prize, a hand-

some gun case, and Dr. Georges S. Aik-

en second prize, two boxes of cart-

ridges.

Shooting at doubles or two at a time,

J. S. Medeiros of Puunene won first

prize, and L. von Tempky second.

Messrs. Bell and James Scott and Mrs.

James Scott of Kihel made good scores

but they lost through being heavily

handicapped. The shoot was a very

interesting affair, and well attended.

A Hawaiian orchestra of stringed in-

struments was in attendance all dur-

ing the day, and their music greatly

helped out the enjoyment of the af-

fair.

The day was most decidedly the most

successful and enjoyable of its kind

ever held on Maui, and great credit for

the same is due the committee in

charge which consisted of J. N. S. Wil-

liams, chairman; H. E. Savage, secre-

tary, and W. Seaby, W. Lougher and

Theodore Nickelson.

A very neat pamphlet giving the or-

der of play and other information was

issued and distributed to everybody

and helped out greatly in assisting the

spectators to enjoy the games.

A large number of the young people

in attendance remained over for the

evening, dinner being served at the

club house, and dancing was indulged

in until midnight to the strains of the

Hawaiian orchestra, when special trains
